

GRUP-1

Creative Game Template (step-by-step)

1. Name of the game:
Battle of the 3 nations
2. Purpose:
Learn, overcome challenges and have fun
3. Learning objectives:
Team work, practice communication skills and creative thinking
4. Rules:
6 players, duration 30 min.

Once upon time in a magical world there were 3 very powerful nations, dwarfs, wizards and elves. They heard that in a very distant land is an enormous treasure. A very dangerous road awaited them to reach the treasure. Also they were very strong rivals to each other. Choose your nation and let the adventure start!

- A. Divide into 3 teams of 2 people in each. Try to avoid making groups of one nation teams.
- B. Teams are going to play a board game using dices or app to throw dice
- C. You can step on different types of areas.
 - Blue (pen) - one person draws a word with a left hand. The other person from a team has to guess the word.
 - White (fire) - do the challenge
 - Red (warning sign) - you miss one round
 - Purple (question mark) - answer the quiz question

D. Follow what cards say and complete challenges in order to win the treasure

Elves - you can skip the red step on the board once in a whole game

Dwarfs - if you throw 2 you can move 4 steps instead of two once in a game

Wizards - you can make one of other nations to skip their turn once in a game

5. Creativity:

Trying different strategies, feel the mysterious and magical atmosphere of the game

Competences developed:

- **knowledge - using a strategy wisely**
- **skills - communication skills, improving language skills**
- **attitude - have fun with the game, accept if you lose**
