

table game for everyone

Rakia

Rakia

Our game was invented to promote other countries cuisines. The main goal is to collect as much point as you can. You can gain the points, but also you can lose it.

The players will start from the first box, they will roll the dice and move the pawns ahead

Rules

Game include from 2 to 9 players. Each time the players roll the dice, they need to move by the same number of places as the drawn number of dice is. Each field contains a different task. You can find boxed of different field:

9 traditional dishes- maximum 1 per person. To get full points, the player need to say 5 different words from the country the dish comes from. In every traditional dish the player needs to find and say out loud these words that comes from the country the dish is from but also act and pretending to be a native of that country

Sunglasses- keep playing with sunglasses on

Rakia- you get 1 shot, but you wait for one round.

Hungry bear- eats your traditional dish, that means you loose 5 points

Sunglasses gift- you can have the gift if you are wearing them

Virus- Destroys all your dishes

Partner countries:

The poster features a vibrant purple and pink background with a large white thought bubble containing the main title and dates. Below the bubble, the location and funding information are provided. A grid of flags represents the partner countries. The bottom right shows an illustration of three people in a meeting, with a large lightbulb and smaller icons of people and lightbulbs scattered around, symbolizing creative thinking and collaboration.
